DIGEST OF HB 1902 (Updated April 10, 2003 7:05 PM - DI 84)

Citations Affected: IC 4-33; IC 6-1.1; IC 7.1-3; IC 36-7; noncode.

Synopsis: French Lick and West Baden Springs riverboat. Deletes the authorization for the Indiana gaming commission to issue a license for a riverboat to be operated on Patoka Lake, and removes all references to the Patoka Lake riverboat license. Authorizes the commission to enter into a contract with an operating agent who would operate a riverboat in a historic hotel district in Orange County on behalf of the commission. Permits any person, including a person who holds a riverboat license, to apply to serve as the operating agent in the historic hotel district. Provides for the distribution of tax revenue remitted by the riverboat. Permits the towns of West Baden Springs and French Lick to establish by ordinance a historic hotel preservation commission. The commission would be given historic preservation authority, and would administer a community trust fund using a portion of the revenues generated by the riverboat. Establishes the West Baden Springs historic hotel preservation and maintenance fund administered by the state department of natural resources. Requires a referendum in Orange County concerning riverboat gambling at the next general election or at a special election where an applicant agrees to pay the additional costs associated with the special election.

(3) Five percent (5%) shall be paid to the historic hotel preservation commission established under IC 36-7-11.5.

(4) Ten percent (10%) shall be paid in equal amounts to each town that:

The town council shall appropriate a part of the money received by the town under this subdivision to the budget of the town's tourism commission.

(5) Ten percent (10%) shall be paid to the county treasurer of the county in which the riverboat is docked. The county treasurer shall distribute the money received under this subdivision as follows:

(A) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than thirty-nine thousand six hundred (39,600) but less than forty thousand (40,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. (B) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than ten thousand seven hundred (10,700) but less than twelve thousand (12,000) for appropriation by the county fiscal body after receiving a recommendation from

the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(ii) A town having a population of more than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand three hundred (19,300) but less than twenty thousand (20,000).

(c) For each city and county receiving money under subsection (a)(2)(A) or (a)(2)(C), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year beginning after June 30, 2002, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the property tax replacement fund instead of to the city or county.

~~(c)~~ (d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

(3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the property tax replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the property tax replacement fund from the transfers under subsection (a)(3) for the state fiscal year.

~~(d)~~ (e) Before August 15 of 2003 and each year thereafter, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. The county treasurer shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

~~(e)~~ (f) Money received by a city, town, or county under subsection ~~(d)~~ (e) may be used only:

(1) to reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5);

(2) for deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas;

(3) to fund sewer and water projects, including storm water management projects; or

However, not more than twenty percent (20%) of the money received under subsection ~~(d)~~ (e) may be used for the purpose described in subdivision (4).

~~(f)~~ (g) **This subsection does not apply to an entity receiving money under IC 4-33-12-6(c).** Before September 15 of 2003 and each

year thereafter, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to the difference between the entity's base year revenue (as determined under IC 4-33-12-6) and the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6.

"SECTION 32. [EFFECTIVE JULY 1, 2003] (a) If any provision of this act, as now enacted or later amended, or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions that can be given effect without the invalid provision or application.

(b) Each part and application of every statute set forth in this act is severable. If any provision or application of any part of the act is held invalid, the invalidity does not affect the remainder of the act unless:

(1) the remainder is so essentially and inseparably connected with, and so dependent upon, the invalid provision or application that it cannot be presumed that the remainder would have been enacted without the invalid provision or application; or

(2) the remainder is incomplete and incapable of being executed in accordance with the legislative intent without the invalid provision or application.

SECTION 33. [EFFECTIVE JULY 1, 2003] The general assembly makes the following finding with reference to the provisions of this act that reassign the eleventh and final riverboat license from Patoka Lake to a historic district to be created in Orange County. The district will embrace historically and architecturally significant structures defined in the legislation as "historic resort hotels". The two (2) structures described in this act are the West Baden Springs Hotel and the French Lick Springs Hotel that are

C

located less than one (1) mile from each other. The West Baden Springs Hotel is listed in the National Register of Historic Places. The French Lick Springs Hotel has applied for that designation. The West Baden Sprints Hotel features a six (6) story domed atrium designed by renowned architect, Harrison Albright. Until 1967, the atrium was considered the largest clear span dome in the world. A significant part of Orange County's history and past economic success is tied to tourism. The area's tourism industry is centered around the two (2) grand hotels. The hotels once served as health and leisure resorts. Rich mineral springs thought to possess curative powers attracted many guests to the hotels. Today, one (1) of the most significant impediments to redeveloping the tourism industry in Orange County is competition for convention and tourism dollars from other parts of Indiana that have benefitted from riverboat gaming. Without riverboat gaming in the proposed historic district to attract additional tourist dollars, the hotels will not be viable over the long term, given the substantial resources necessary to sustain them. The required resources do not exist in Orange County, where poverty and unemployment are among the highest in Indiana. In this era of limited resources, the state cannot afford to support the hotels with direct subsidies."
